PEACH

Hand-drawn sketches of a mobile app interface for a delivery service named PEACH. The sketches are organized into a grid. The top-left sketch shows a 2x2 menu with 'Delivery', 'Self-Service (Appointment)', 'consult', and 'information'. The top-right sketch shows a 'profile' section with a name and age, and a 'menu' section with a list of items and prices. The bottom-left sketch shows a 'search' section with a search bar and a list of items. The bottom-right sketch shows a 'location' section with a map and location pins. The sketches are decorated with green circles containing thumbs-up icons.
