PEACH

Hand-drawn sketches of a mobile app interface for 'PEACH'. The sketches are organized into a grid. The top-left sketch shows a 2x2 menu with 'Delivery', 'Self-Service (Appointment)', 'consult', and 'information', each with a green thumbs-up icon. The top-right sketch shows a 'profile' section with 'อายุ 159' and a 'นัดหมาย' (Appointment) section with a table of dates and times, including a green thumbs-up icon. The middle-left sketch shows a 'นัดหมาย' (Appointment) section with a table of dates and times, including a green thumbs-up icon. The middle-right sketch shows a 'นัดหมาย' (Appointment) section with a table of dates and times, including a green thumbs-up icon. The bottom-left sketch shows a 'นัดหมาย' (Appointment) section with a table of dates and times, including a green thumbs-up icon. The bottom-right sketch shows a 'นัดหมาย' (Appointment) section with a table of dates and times, including a green thumbs-up icon. The bottom-most sketch shows a 'นัดหมาย' (Appointment) section with a table of dates and times, including a green thumbs-up icon.
